**Texas Association of Sports Officials  
Football**

**2013 Official Scratch List**

	<b>Last Name</b>	<b>First Name</b>
<b>1</b>		
<b>2</b>		
<b>3</b>		
<b>4</b>		
<b>5</b>		

Effective with the 2005 Football Season, the University Interscholastic League requires scratches to be submitted in writing.

The Scratch Policy of the Amarillo Chapter, Texas Association of Sports Official's - Football allows for the scratching of five (5) officials from the Amarillo TASO Chapter. Please list the officials you wish to scratch on this form and return to the Amarillo Chapter, Texas Association of Sports Officials' - Football. ***Scratches from the 2012 season are not carried over to the 2013 season and must be re-submitted.*** Please be aware that scratching officials may severely limit the officials who are available to call your games. Once all five scratches have been exhausted no additional scratches will be allowed until the following season. This includes preventing the practice of removing of an official from the scratch list with the intention of replacing that spot with another name. ***Any scratches made during the regular season will require a written statement as to the reason for the scratch as long as there are not currently five officials already scratched.***

***Any school who scratches an official within a five day period prior to any ballgame after assignments have been made and agreed upon will be required to pay the official in question the equivalent game fee for the game to which he/she was assigned. NO EXCEPTIONS WILL BE MADE TO THIS RULE.***

Please return one copy of this scratch list signed with your schedule and school host form. If you do not have any scratches at this time please fill in the blank above with "No Scratches". A list of all officials can be made available electronically at your request.
